

Bicentennial State Park
600 James Robertson Parkway
Nashville, TN 37243
Phone: 615.741.5280 Fax: 615.532.0653

Greetings to Tennessee's Teachers:

Are you looking for a Field Trip that is **FREE** and relates directly to **STATE CURRICULUM STANDARDS** in Science and Social Studies (Grades K-8)?

Bicentennial State Park has the trip for your class! Our second annual Tennessee Critters Event will feature numerous wild "critter" educational programs from across our state. Additionally, the park itself is located in view of the state Capitol building and is filled with facts about our state's history.

The park is adjacent to Farmer's Market, which houses several restaurants. Sack lunches are permitted in park areas. Picnic tables under the covered trestle area are first come first serve. Schools will be responsible for disposing of all trash.

Reservations are **required** for school groups with buses. Bus parking will be reserved for school buses that pre-registered only on Friday. Passenger vehicles must park elsewhere on Friday. (*Parking is available on 8th Ave. North at the Farmer's Market and in a public pay lot on 8th Ave. North near James Robertson Pkwy.*) Contact the park with any further questions.

Please fill out the form below and fax/mail it to the number/address above. A confirmation packet will then be mailed to you with further information and maps for the event.
